

Jeffries Gardener's Choice Mulch

Jeffries Gardener's Choice Mulch is the perfect all-round garden mulch when you want a natural looking, medium grade mulch.

USE

- When you want a medium grade, natural looking mulch
- When you want a composted mulch that will condition your soil

KEY BENEFITS

- Improves water retention
- Suppresses weed growth
- Insulates plants against extreme temperature fluctuations
- Good matting properties for use on slopes
- Reduces soil erosion
- Fully composted mulch free of weed seeds

MADE FROM

Organic material that has been through a controlled process of natural aerobic composting. Sources include home green bin, garden pruning and food organics. While every effort is made to screen out inorganic material, this product may contain an occasional fragment of plastic, metal or glass.

**Proudly made
from recycled
organics**

CERTIFICATIONS

- Australian Certified Organic

Jeffries Gardener's Choice Mulch

APPLICATION

- Spread mulch over the soil surface to a depth of approximately 50mm

- Keep a small space between mulch and base of plants

- Water in thoroughly when finished, ensuring the water is penetrating the mulch and wetting the soil below

Area may need fewer, heavier irrigations to ensure the plant root zone is wet each time

ensure any irrigation drip lines sit underneath the mulch

Nutrient Availability

Jeffries GARDENER'S CHOICE Mulch is an all-round garden mulch. It will contribute nutrients to your soil as it breaks down.

Soil pH Buffering

As Jeffries GARDENER'S CHOICE Mulch breaks down into the soil, the organic matter works to buffer the fluctuations in soil pH, neutralising the soil and improving nutrient uptake and plant health.
