HOLY SQUID ... THIS SCAMPI  
HAPPENING! DON'T LET PLASTIC  
OCTOPI YOUR GREEN BIN!  
WE'RE NOT SQUIDDING!

A photograph of a green glass bottle lying horizontally on a bed of dry, tangled sticks and twigs. The bottle is the central focus, with its green color contrasting against the brown and tan background. The sticks are of various lengths and thicknesses, creating a dense, textured surface. The lighting is natural, highlighting the bottle's shape and the surrounding debris.

A blue tarp is laid out on a ground covered with wood chips and dirt. Inside the tarp, a white, rectangular object is visible, which appears to be an inflatable pool. The object is partially covered with a white plastic bag and some debris. The background shows a pile of wood chips and some green plants.

COULDN'T FIND YOUR  
INFLATABLE POOL LAST SUMMER?

WE HAVE IT!

A close-up photograph of a single, bright pink training wheel for a bicycle. The wheel is lying on a bed of dry, brown leaves and twigs. The wheel has a multi-spoke design and a central hub. The handlebar attachment is also pink and shows signs of use and dirt. The background is a dense layer of natural debris.

A blue-painted wooden chair is the central focus, partially obscured by a beaded necklace with red, white, and grey beads. The chair is surrounded by a dense layer of fallen brown leaves and green tropical plants. The scene is brightly lit, suggesting a sunny day. A black text box is overlaid on the left side of the image.

The image shows two teal and red handheld devices, possibly power tools or sensors, lying on a bed of dry leaves and twigs. The device on the left is upright, while the one on the right is lying on its side. Both devices have a teal body and a red base. The background is a dense layer of dry, brown leaves and twigs, suggesting an outdoor setting. A black text box is overlaid on the left side of the image.
