

PROJECT

CURTIS ROAD UPGRADE

FAST PROJECT COMPLETION

Supply and installation of more than 1000m³ of a low cost environmentally sound mulch to verges and median strips along a 1.1km length of Curtis Road, utilising Jeffries PowerScaper for ease and speed of installation and traffic management for safety.

City of Playford required a product that breaks down at a uniform rate and will not allow weed germination to occur.

Landscape Structure

Median and verges with shrubs groundcovers and trees.

Irrigation System

Subsurface irrigation

Jeffries PowerScaper can install up to 2000 m³ per day with up to 100m of hose.

PRODUCT

Jeffries Enviro Mulch

SERVICE

Jeffries PowerScaper

LOCATION

Curtis Road, City of Playford

THE POWERSCAPER

The Jeffries PowerScaper is equivalent to 79 trailer loads or 510 wheelbarrow loads in each truck load. Perfect solution with up to 100m of hose reach for installing mulch without damaging existing and newly planted trees.
