

Directions to Jeffries

Wingfield Site via Hanson Road North

Along Hanson Rd North
Follow Hanson Road North from Grand Junction Road, over Cormack Road. You will see this sign for Wingfield Waste and Recycling Centre. Jeffries is located within this centre.

Stay in left lane
Move into the far left lane when approaching the lights. **Do not turn left as this will take you onto the Port River Express Way to Port Adelaide.**

Over the lights
Stay in the left lane at the lights and go straight through the intersection. **Do not turn right, this will take you onto the Express Way and a long way until you can turn around.**

Down hill through the gates
Follow Hanson Road North down the hill through and the gates until you get to the ARR weighbridge.

Line up at middle lane
Enter the middle General Public lane of the weighbridge. Only one vehicle allowed at a time. Please wait behind the boom gate for the vehicle in front to exit before entering.

Turn right
At the window please tell the weighbridge staff that you are here for Jeffries. Once you have exited the weighbridge turn right. **Look out for trucks.**

Past Amcor
Continue past the Amcor building on your right.

Turn right at the Jeffries entrance
Turn right onto the dirt road at the Head Office sign.

Follow this track
Follow the track that runs next to the green shed. Parking is available behind this shed on your left. Report to reception when you arrive.

Turn left, behind the green shed for parking.

Parking is available in this area
